## Net sales

- Auction fees increased because of a higher contract completion rate, a revision in the off-site successful bid fee and a review of the rebate program for high-volume members at some auction sites
- Sales increased in the used car purchasing and selling business mainly because of higher selling prices per vehicle Cost of sales
- The cost of purchasing vehicles increased in the used car purchasing and selling business
- Lower supplies expenses mostly resulting from a reexamination of services for members

SG\&A expenses - Decreases in sales promotion expenses

## Net sales

- Auction fee revenues increased because of revision to successful bid fee for off-site bidding system and higher off-site successful bid ratio
- Sales down because of the smaller number of vehicles purchased

Cost of sales

- Lower merchandise cost of sales in used car purchasing and selling business and lower cost of procuring autos and other materials for recycling business
- Depreciation expenses decreased

SG\&A expenses - Decreases in fees paid and sales promotion expenses
