## Strategic Objectives Based on Medium-term Management Policy

Used car System Solutions

## Creating more value for members primarily by using auction sites

Market conditions for used cars and automobile auctions will change as people buy more next-generation vehicles, Japan's used car exports increase and other events take place. USS will respond with flexibility to these changes while continuing to make investments in its nationwide network of auction sites.

Our goal is the overwhelming number-one market share as we offer members even more convenience by creating the best automobile auction facilities in each region of Japan.
