

## Auto auction business

Auto auction sites support trouble-free circulation of used vehicles. USS currently supports bidding from outside the premises through dedicated terminals and internet auctions around 19 auction sites throughout Japan.

For more information, see: pp. 35–36

## Used vehicle purchasing and selling business

The Rabbit Car Network is launching chains and franchises in all areas of Japan as stores specializing in the purchase of used vehicles from end users. This is the backbone to lively auto auctions. Although most of the vehicles that are bought are sold at auction, some are sold through retail channels.

For more information, see: pp. 37–38

## Recycling business

The Recycling Segment centers upon two Group companies. ARBIZ recycles end-of-life automobiles as well as small electronics and other spent products. SMART specializes in the dismantling and recycling of plants and other related equipment.
