Precaution about Websites Similar to Official USS Websites

There are currently several websites with similarities to the official websites of USS but that have no relationship whatsoever with USS even though they use the USS name. These fraudulent websites may appear to be operated by USS or to enable users to purchase vehicles submitted at USS auctions.

USS is warning individuals not to submit utilization payments or payments for vehicles to these malicious websites. When using the internet, USS asks individuals to be certain they are using the official USS corporate website or the USS website exclusively for auction members.

USS operates the following websites:

<https://www.ussnet.co.jp/> (Corporate website)

<https://www.uss-engine.com/> (Auction member website)

<https://ssl.cis6200.jp/open/entrance/index.html> (CIS information service)
